

addition, this Order implements the findings from a related case,³ which addressed a complaint of a group of Bristol's ratepayers regarding the Company's rates and service. The proposed rate filing had an effective date of October 1, 2017 but was subsequently postponed to December 1, 2017. By Commission Order issued November 20, 2017, the filing was initially suspended through March 30, 2018. By Commission Order issued March 15, 2018, the filing was further suspended through September 30, 2018.

Upon consideration of the two cases, the Commission authorizes Bristol to recover \$37,708, inclusive of interest, over a two-year period beginning August 1, 2019 through July 31, 2021 related to the extraordinary repairs that occurred in 2015, approves a \$95,816 or 73.82% increase in base revenues, and implements the revenue allocation authorized in the BHVA Complaint case.

BACKGROUND

Bristol provides water service to approximately 363 condominiums and single-family (SF) homes within the Bristol Harbour Village development in the Town of South Bristol (Town), Ontario County. Service is also provided to four commercial facilities, specifically a restaurant, a hotel, a sewer plant, and a golf course. The Company does not charge rates for public fire protection service.

The Company obtains its water supply from an intake structure in Canandaigua Lake, from which the raw water is pumped to the water treatment plant via three 240-gallon per
