To All Customers/Premises Taking Service from Bristol Water Works Corporation:

On April 11, 2025, Bristol Water Works Corporation (the Company) filed a request with the New York State Public Service Commission (Commission) to increase the Company's annual revenues by approximately \$111,249, an increase of 49.5%. This increase is requested due to large operating losses over the past three years, as the Company's current cash flow does not meet the Company's current obligations, and there have been significant increases due to inflation.

The Company's rates are proposed to be effective October 1, 2025. For residential customers, the proposed rates are as follows:

- Rate (applicable to all non-condominium customers): Individually metered residential consumption \$14.29 per 1,000 gallons in arrears.
- Residential Customer Charge (applicable to all non-condominium customers): Meter Size Quarterly Customer Charge (in advance)
 - 5/8-inch - \$155.49
 - 3/4-inch - \$170.62
 - 1-inch - \$217.15

Condominium Flat Rate:

- 1 Bedroom Condominium \$131.46 quarterly in advance
- 2 Bedroom Condominium \$155.73 quarterly in advance
- 3 Bedroom Condominium \$217.01 quarterly in advance
- 4 & 4+ Bedroom Condominium \$301.86 quarterly in advance

For metered treated water for non-residential purposes, the Company's proposed rates are as follows:

- Rate: \$27.52 per 1,000 gallons in arrears.
- Meter Size Quarterly Customer Charge (in advance):
 - 5/8-inch - \$155.49
 - 3/4-inch - \$170.92
 - 1-inch - \$217.15
 - 1.5-inch - \$279.19

You may review the Company's rate filing and post comments by going to the Commission's website at www.dps.ny.gov, select Search, and enter 25-W-0237 in the input box labeled "Search by Case Number." Comments referencing Case 25-W-0237 may also be mailed or delivered to:
